In particular, Rev. Brawley's organizing efforts play a dynamic role in the church's community development activities. As Rev. Brawley contemplates the growth of ministry, his four priorities are creating a vibrant worship experience, edifying God's people, community organizing, and economic development. As a pastor, Rev. Brawley possesses the gifts of exhortation, inspiration, motivation and encouragement. He shares these gifts not only in worship services, but also with the community in a variety of venues, such as men's conferences, revivals and youth groups. Rev. Brawley resides in Brooklyn, New York with his wife Debra and their two children, Rhonesha and Michael.

Mr. Speaker, Reverend David K. Brawley has been a leader in our community through his spiritual guidance at St. Paul Community Baptist Church and consistent efforts to improve the schools, housing and overall quality of life in Brooklyn. As such, he is more than worthy of receiving our recognition today, and I urge my colleagues to join me in honoring this truly remarkable person.

CONGRATULATING THE TAYLOR LIONS CLUB ON THE OCCASION OF ITS 50TH ANNIVERSARY

HON. PAUL E. KANJORSKI

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 16, 2004

Mr. KANJORSKI. Mr. Speaker, I rise today to ask you and my respected colleagues in the House of Representatives to pay tribute to the Taylor Lions Club as it celebrates its 50th Anniversary at St. George's Hall in Taylor.

The Lions Club of Taylor began its charter on Nov. 15, 1954. Sponsored by the Old Forge Lions Club, the Taylor Club chose Jay Fahringer as its Inaugural President. Over the next 46 years, the Club would have two members, Lion Dominic DeAngelo and Lion Joseph Canjar, serve in the esteemed position of Area District Governor.

Canjar and Lion Francis Scott received the Melvin Jones Fellowship Award for Dedicated Humanitarian Service from the Lions Club International Foundation, the highest award that a member can receive.

The Lions Club has a long-standing tradition of civic duty and pride. I cannot think of a better example for our young people than business people taking responsibility for their communities and neighbors. Lions Club members have been dedicated to giving their time, talent and resources to help our world become a better place since 1917. The Lions Club is one of the largest service organizations worldwide.

Lions Clubs are best known for their work with sight conservation, taking on the challenge after Helen Keller proposed it in 1925. Lions Clubs raise money for a variety of sight-preserving activities, from providing eyeglasses to paying for cataract surgery for needy people.

The District 14-H Lions Eye Bank was initiated by then-District Governor Dominic DeAngelo in 1958. Lion Merwyn Howells was instrumental with the inception of the Sergeant Seymore Program, sponsored by the Lackawanna Blind Association. The program educates third-graders about sight conservation and eye safety, and it concludes with a poster contest.

The District 14-H Lions Eye Bank Banner Patch for the most Cornea Eye Pledge Cards in a year was achieved in 1992, during Lion President John Souter's term. The Taylor Lions Club has continually provided eyeglasses to senior citizens and other members of the community throughout the years.

The District 14-H Hearing Committee's annual donation to the Scranton School for the Deaf began during Lion Joe Canjar's term in 1980. This tradition continues today.

Since the Club's beginning, members have provided wheelchairs, commodes, walkers, crutches, canes and personal safety items for all citizens of the community.

Over the past 15 years, the Taylor Lions Club's principal fundraiser has been a Holiday Basketball Tournament that features both girls' and boys' high school teams from Riverside School District and the surrounding area. This annual tournament is the only one of its kind to feature both a girls' and a boys' division. Eugene Evanish, Ted Evanish and Joseph Roberts have co-chaired the event since it began.

The Taylor Lions Club is also the first club in the history of District 14-H to have its Club Pin voted No. 1 in the state of Pennsylvania. Member Francis Scott designed the winning emblem.

The Taylor Lions Club has also taken an active role in District 14-H with members Joe Canjar (as past District Governor), Mike Cole, Gene King, Fran DeAngelo, Gene Evanish, Ted Evanish, Neil DeAngelo, Robert Thomas, Lisa Mekilo and Francis Scott all serving in the District Cabinet in recent years.

The Taylor Lions Club has sponsored teams in the Taylor Little League, Taylor Girls' Softball Association, Boys Biddy Basketball League, T.C.C. Girls Basketball League, Boy Scout Troop 85 and Cub Scout Troop 90.

The Taylor Lions Junior Football Organization was even named after the club, which sponsored it from 1970 through 2000. Lion Frank Messoline was one of the primary organizers of the program, while Lion Mike Krypel

was primarily responsible for its present complex.

The Taylor Lions Club, in conjunction with the R&L Civic Club, American Legion Post 306 and the Taylor Borough Council, organized an Easter Egg Hunt in 1985 that has become an annual event for the area's children.

Lion J. Dennis Kryzanowski began the Taylor Lions Scholarship Award at Riverside Junior/Senior High School.

Two hundred and fifty-seven residents of Taylor have been past or present members of the Lions Club since its beginning in 1954. Lion Lisa Scott Mekilo was the first woman to join the Taylor Lions Club and became the Club's first female president in 2003.

Mr. Speaker, I ask that you join me today in paying tribute to such a wonderful service organization. It is my honor to represent the members of the Taylor Lions Club in the United States Congress.

HONORING FRANCIS J. LOMBARDI

HON. MIKE FERGUSON

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 16, 2004

Mr. FERGUSON. Mr. Speaker, I rise today to honor Francis J. Lombardi of Essex County, New Jersey.

For more than 30 years, Francis Lombardi has been a leader in one of the most vital aspects of our community. While raising a family, he has been a tireless advocate of protecting and fostering the transportation relationship between New York and New Jersey.

Francis began his work with the Port Authority of New York and New Jersey in 1971 as an engineering trainee and has risen through the ranks to his current position as Chief Engineer for The Port Authority.

Always making safety his top priority, his work with the Port Authority gained him recognition and reputation for continued safe and efficient operating. Richard's work affects the daily lives of millions of residents of New York and New Jersey and with the turbulent world we live in it has never been more vital to ensure the safety and security of our citizens in every aspect of their lives. His contributions continue into the realm of education. His hands on approach and dedication to our youth over the years has earned him a position on the Board of Directors of the Salvadori Educational Center, a non profit educational center dedicated to helping inner-city youth appreciate science and mathematics.
